

The background of the entire page is a photograph of a person's hands and arms working at a desk. The person is wearing a light blue shirt and a watch. They are pointing at a large monitor displaying a 3D architectural model. On the desk, there are various items: a keyboard, a mouse, a pen holder with several pens, and some papers. The image is partially covered by a large, semi-transparent blue circle on the left side, which contains the main text. The Grey Edge logo is in the top left corner, and decorative red dots and grey circles are in the top right and bottom center.

GREY EDGE

CAD/BIM Training & Placements

Grey Edge is an Autodesk Authorised Training Centre in Mumbai, India, offering a range of courses in the CAD/BIM domain for architects, civil and structural engineers, interior designers and draftsmen.
