

GREY EDGE -
A CAD / BIM TRAINING,
RECRUITMENT &
PLACEMENT CENTRE

ABOUT US

Grey Edge is a project-based CAD/BIM training institute located in Mumbai. We provide several courses in the CAD/BIM domain and offer recruitment and placement services too. Our training experts have formulated each course structure in a systematic format that takes participants through the lifecycle of a project or an assignment. In addition, Grey Edge offers each student:

Certified industry-experienced trainers

Classes with limited number of students

Project-based training approach

Personalised attention for each student

Practice on latest and updated software

Our Mission

Our mission is to help create industry ready skilled professionals through an intense project-based approach and help businesses and companies get access to potential employees who can hit the ground running.

Our Vision

Our vision is to be the company of choice for learning skills in the AEC / CAD / BIM Domain as well as the employer of choice for training professionals in these domains. Together we wish to be the recruitment partner of choice in bridging the gap between employers and skilled professionals.

Our Team

Grey Edge takes pride in our team of certified experts and industry-connected recruitment and placement professionals. Our team is focussed on delivering the two key missions of our company – creating industry-ready skilled professionals and bridging the gap between employers and professionals by helping them find each other.

OUR COURSES

Grey Edge teaches each course using a project already completed by industry experts. Our courses are divided into four categories: Internship courses, Architectural courses, MEP courses and Structural courses. The courses included in each category are as follows:

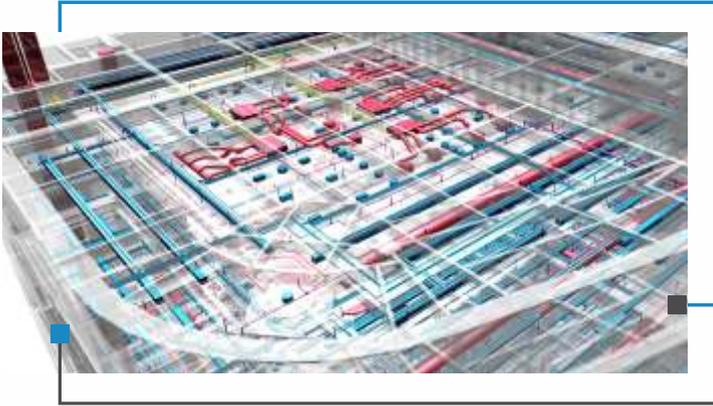

Internship Courses

- Architectural BIM Internship Programme
- MEP BIM Internship Programme
- Architectural DesignTech Internship Programme
- MEP Coordination Internship Programme

Architectural Courses

- AutoCAD
- Revit Architecture & V-Ray
- 3ds Max and V-Ray
- SketchUp Pro and V-Ray
- Photoshop
- CorelDRAW

MEP Courses

- Revit MEP
- Navisworks

Structural Courses

- Revit Structure
- Robot Structural Analysis
- Advance Steel

MODES OF DELIVERY

We offer classroom-based, corporate/educational on-site, as well as online training for Computer-aided Design (CAD), Building Information Modelling (BIM) and 3D visualisation applications that are reflective of industry standards and expectations.

TESTIMONIALS

Jigar Panchal

“Dividing the time equally between theory and practical sessions makes the training more interesting. Additionally, training provided while working on an industry project is a wonderful idea.”

Yogesh Dalvi

“The detailed explanation provided by the trainers makes it easier to understand concepts.”

Ajay Yadav

“The learning experience at Grey Edge was wonderful. This CAD/BIM institute is better than other institutes in Mumbai. The trainers have a great deal of industry knowledge, are friendly and helpful.”

Ankita Shah

“The course was taught well, with real-time examples.”

Siddharth Sarkar

“The trainer made me feel at ease and answered all my queries in detail. I learnt valuable skills that have helped me build my confidence. The training was enjoyable, motivational and interesting.”

Dipak Lidhure

“The staff members are very supportive and encouraging.”

Jason D'Souza

“The trainer was well versed with the course content. The trainer kept checking if the pace of the course was fast for me to keep up with.”

Vaishali Kachariya

“The theory and practical sessions were conducted systematically. The trainers have abundant industry knowledge.”

Saurav Roy

“The infrastructure at Grey Edge is amazing. The entire training was based on an actual industry project. The quality of the training was fantastic.”

RECRUITMENT & PLACEMENT

JOB BOARD

Grey Edge's training, recruitment and placement services aim to provide recruiters suitable candidates for their required job applications. For this purpose, Grey Edge has created an innovative job board on the Grey Edge website, where jobs related to the AEC (architecture, engineering, construction) domain are posted regularly.

Recruiters interested in posting their job openings/vacancies on our job board, please contact us on **+91 22 2927 6644** or **recruitment@grey-edge.com** (We will get back to you within 24 hours). We will help you post your jobs on this board, as well as promote it internally to our students and our large network of professionals.

Unit No 812 - 8th Floor, Vakratunda Corporate Park, Vishweshwar Nagar, Off Aarey Road,
Near Udipi Vihar, Goregaon East, Mumbai – 400 063, Maharashtra.
